SSI Electric Panel Seamer

SS Industrial Seamer

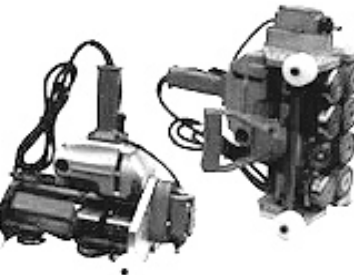

Designed for 2" High Industrial/Commercial Grade Roof Panel

Standard Features

- Front and rear auto safety shut-offs
- Bi-directional 90° single lock seaming in one pass
- Single direction 180° double lock seaming in one pass
- Complete w/ 90° and 180° tooling
- Milwaukee motor - 11.5 amps @ 110 volts
- Chrome plated forming rolls
- 22 - 24 gauge capacity
- Length - 24" Weight - 90 lbs.

Made in the USA

SSX Electric Panel Seamer

SSX Seamer
The Industry Standard

Our seamers produce perfect seams on all materials from 12 oz. copper to 24 gauge Kynar finished Galvanize/Galvalume at 30 fpm - without damage to the material.

They can seam NTM, Knudson and ESE profiles

The SSX Model will form a complete double lock standing seam with a single pass. Our exclusive nose switch cuts the unit off if it comes to the edge of the roof, eliminating expensive and time consuming accidents.

Standard Specifications
 1" and 1-1/2" single & double lock seam
 Double lock - single pass
 Seam 90° wall panels 30FPM (no load speed)
 Milwaukee Drill Motor
 Power: 7 amps @ 120volts
 Weight: 35 lbs.
 Automatic front-mounted auto/safety switch

Material Capacity
 22 ga. to 28 ga. steel
 .024" to .032" aluminum
 12 oz. to 20 oz. 1/2 hard copper

Terms & Conditions

Payment

We accept Visa, Mastercard, Discover, American Express, checks and money orders. We will also ship C.O.D., or contact us at any time to apply for an account.

Returned Checks & Overdue Accounts

There will be a \$30.00 fee on all returned checks. Accounts over 30 days will be subject to 1.5% interest per month, plus any and all collection costs, including attorney fees.

Delivery

All deliveries are shipped freight and billed to buyer, unless previous arrangements have been made.

Returns and Exchanges

All returns must have prior authorization before the return is made. All returns other than defective merchandise will be subject to a 20% (of value) restocking fee.

Damaged and Defective Merchandise

If merchandise is received damaged or defective, notify a **PFC** representative immediately for credit, and note damage on freight bill.

Notice

Buyer assumes all responsibility for use and application of merchandise purchased from **Precision Fasteners & Components, L.L.C.** A professional Engineer or Architect should always be consulted as to the hold down values for securing panels. **P.F.C.** is only liable for replacement of original purchased products. **P.F.C.** has no additional liability whatsoever, consequential or contingent.

ALL PRICING SUBJECT TO CHANGE WITHOUT NOTICE
